

The innovative Fiamma ZIP system joins the side panels to the fabric of the awning with two special sturdy YKK zips.

Maximum water and wind protection thanks to its two exclusive and superior guaranteed high-quality zips.

The awning is transformed into a completely enclosed room in a matter of minutes.

Standard delivered with: the awning (canopy available in Platinum or Silver-Kool® colour), installation brackets, one front panel with door and two side panels with screened windows that can be opened. Also included are Rapid Set aluminium tension poles (p. 25), one central tension rafter excluding the 250 cm model (p.25), vehicle skirting (p.23), Oslo curtains for all the windows and storage bag Mega Bag C (p.26).
