

MOTOR KIT

German Patent: 0 254 757

Motorise your awning

Only Fiamma offers you the Motor Kit 12Vdc accessory that can be installed on your awning later on. The Motor Kit also allows manual opening and closing operation and extend the total length of the awning with 15 cm.

Motor kit to be installed only on F45i and F45i L.

The motors for Awnings Left are only suitable for awnings with winch on the left side.

MOTOR KIT LEFT

Motor Kit for Fiamma F45i Left
Motor Kit also allows manual opening and closing operation.

MOTOR KIT F65 TOP

Motor Kit for Fiamma F65 Top
Motor Kit also allows manual opening and closing operation.
