

# PRO C

German Patent: 44 27 450.5

The compact "Premium Quality" bike carrier to be installed under the rear window while still allowing it to open

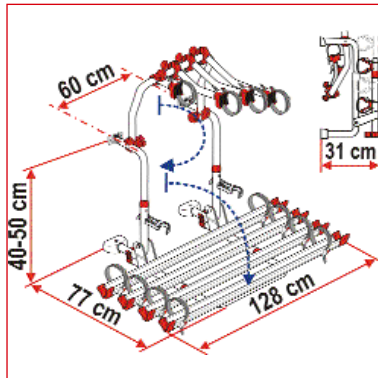

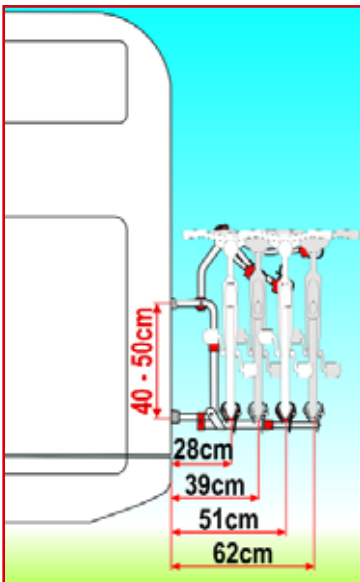

CARRY-BIKE PRO C with 4 Rails Quick and 4 Bike-Block Pro

The Carry-Bike Pro C can be installed on all kinds of motorhomes. It is highly recommended by experts in the industry as the strongest bike carrier on the market. It is ideal to install also under the rear window of the motorhome, while still allowing the window to open. It is the only one with patented ZOOM 4 BIKES rail support that can carry two extra rails. Carries up to 60 Kg. Standard delivered with: 2 Rails Quick, Bike-Block Pro 1 and 3. New version "N" available, supplied without upper and lower fixing kits, as these brackets are already preinstalled on the vehicles Chausson, Challenger and MC Louis.

Carry-Bike Pro C with: 2 Rail Quick 128 Red, Bike-Block Pro 1 Red, Bike-Block Pro 3 Red
