

Roomy roof-boxes for motorcaravans with completely reinforced aluminium structure and watertight foam seal

The classic roof-boxes have been improved even further. Made of superior quality ABS-PLUS for more resistance to impacts and weather conditions, with co-extruded high-thickness UV protection to prevent deterioration of their quality as they age. Complete with installation brackets and rust-proof stainless steel hinges. Colour: Polar white.

Watertight!

"Last week I had my Voyager washed, it was a good test for the Fiamma box that I installed on it a few months ago: no water got inside. The Fiamma boxes are really waterproof!"

Sophie Riehle, Stuttgart
