

The most spacious rear boxes for Carry-Bike

Italian Design

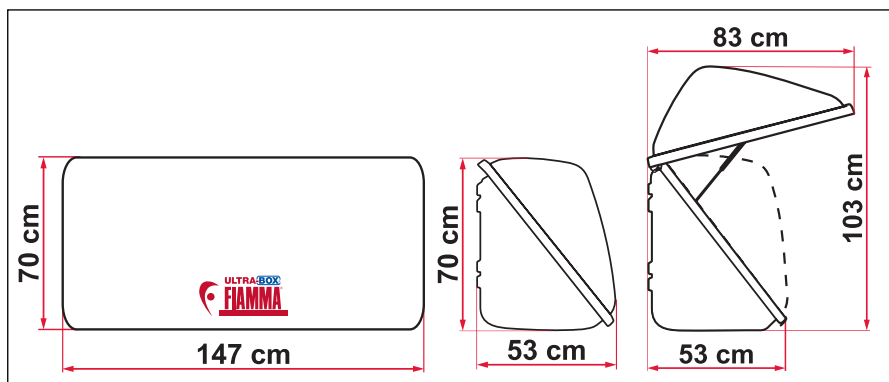

The rear boxes for motorcaravans and minivans are made with a top Quality ABS-PLUS to provide high resistance against impacts and weather conditions plus protection against ultraviolet rays. They are co-extruded with extra thickness to prevent deterioration and are supplied with stainless steel hinges and aluminium profiles. Equipped with a watertight seal, the boxes can be installed on the Carry-Bike (kit included), or on the rear of the vehicle with the optional wall-mounting kit. GS/TÜV approved and supplied with flexible net to secure the transported items.
