

In our recently extended production area of over 25.000m², products are manufactured for wholesalers and OEM's from all over the world. A high quality, stylish and user friendly range, close cooperation with our customers, outstanding after sales service and over 35 years of experience make Omnistor your reliable partner in the caravan and motorhome world.

Omnistor's aim is to offer solutions to consumers who strive for more comfort and who want to transport their leisure equipment with style, thus responding immediately to the demands of the active outdoor consumers.

The dynamics of our company are guaranteed through constant innovation of our range, investment in new production techniques and the policy of employing motivated personnel in all our departments.

We are introducing our 2006 range in this catalogue. Live the ultimate experience and see that more comfort means enjoying your holiday more!
