

# [www.omnistor.com](http://www.omnistor.com): more comfort, more leisure!

Welcome to the world of Omnistor, the world of activity and enjoying life to the full. You like holidays and adventure, your freedom is important, but you are also demanding when it comes to quality and comfort. Omnistor can offer you a range of modern and top quality accessories for your caravan, motorhome or mini-van. It may surprise you that our extensive range includes **awnings, Safari-Room & Residence, bike carries, steps, roof rails, luggage boxes, roof lights** and much much more.

In addition to our brochure, we also invite you to visit our website where you will find lots of extra information about spare parts, installation instructions, and a complete list of dealers in your neighborhood. Next to the computer pictured in our brochure, you will find examples of the information featured on our web site, [www.omnistor.com](http://www.omnistor.com).
